The  
Karma  
Discount  
Program

Every donation helps us move closer to creating a safe, happy place for rescued animals.

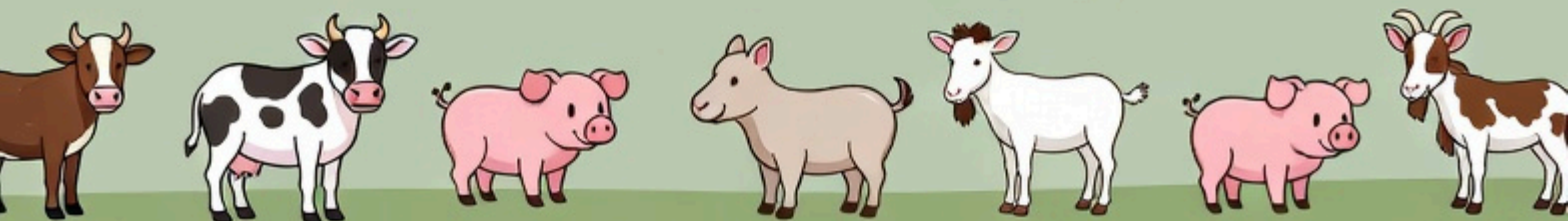

And because good karma loves to give back, we return a little love your way!

Donate through our Karma Page, enter your email, and we'll send you your own personal discount code.

For a set amount of time, you'll get a discount on every item you buy — simple as that.

You can find the full schedule of rewards on the next page.

Do good. Feel good. Get good. 😊
